KRISTIANIA COLLEGE (OSLO) 2020-2021

I studied several individual courses to boost my knowledge. Classes in influences, psychology, creative writing and politics expanded my professional know-how and made me better informed.

VOLDA COLLEGE (VOLDAL) 2016-2018

I studied a bachelor's program in journalism specializing in publishing textual content online. I also worked as a journalist while studying and was active in student organizations.

FREELANCE VIDEO PRODUCER 2020-2022 / THE DIRECTORATE FOR CHILDREN, YOUTH AND FAMILIES

Filmed, edited and gathered video material to inspire youths to take part in a European exchange. I travelled to locations to make recordings of former participants and documented seminars. Animations with text and motion were done in After Effects, and I used Premiere Pro for editing.
